

## Liste de lecture LLCE terminale 2021-2022

Dear LLCE students,

Try to find the same editions in order to have the same page numbers for references .  
Do not hesitate to buy a second-hand copy. The sooner you buy them, the more choice you will have. Make the most of your sunny summer to read them a first time. Enjoy the reading.  
Kind regards

1) The Buddha of Suburbia

Editeur/ Faber and Faber

2) Moon Palace ( Paul Auster)

( Editeur : Penguin fiction )
